Custom countertops give your kitchen the fashion and function needed for any budding gourmet.

**Wooden Island Top**  
The Charleston Table Company created this wonderful workspace that adds natural warmth.

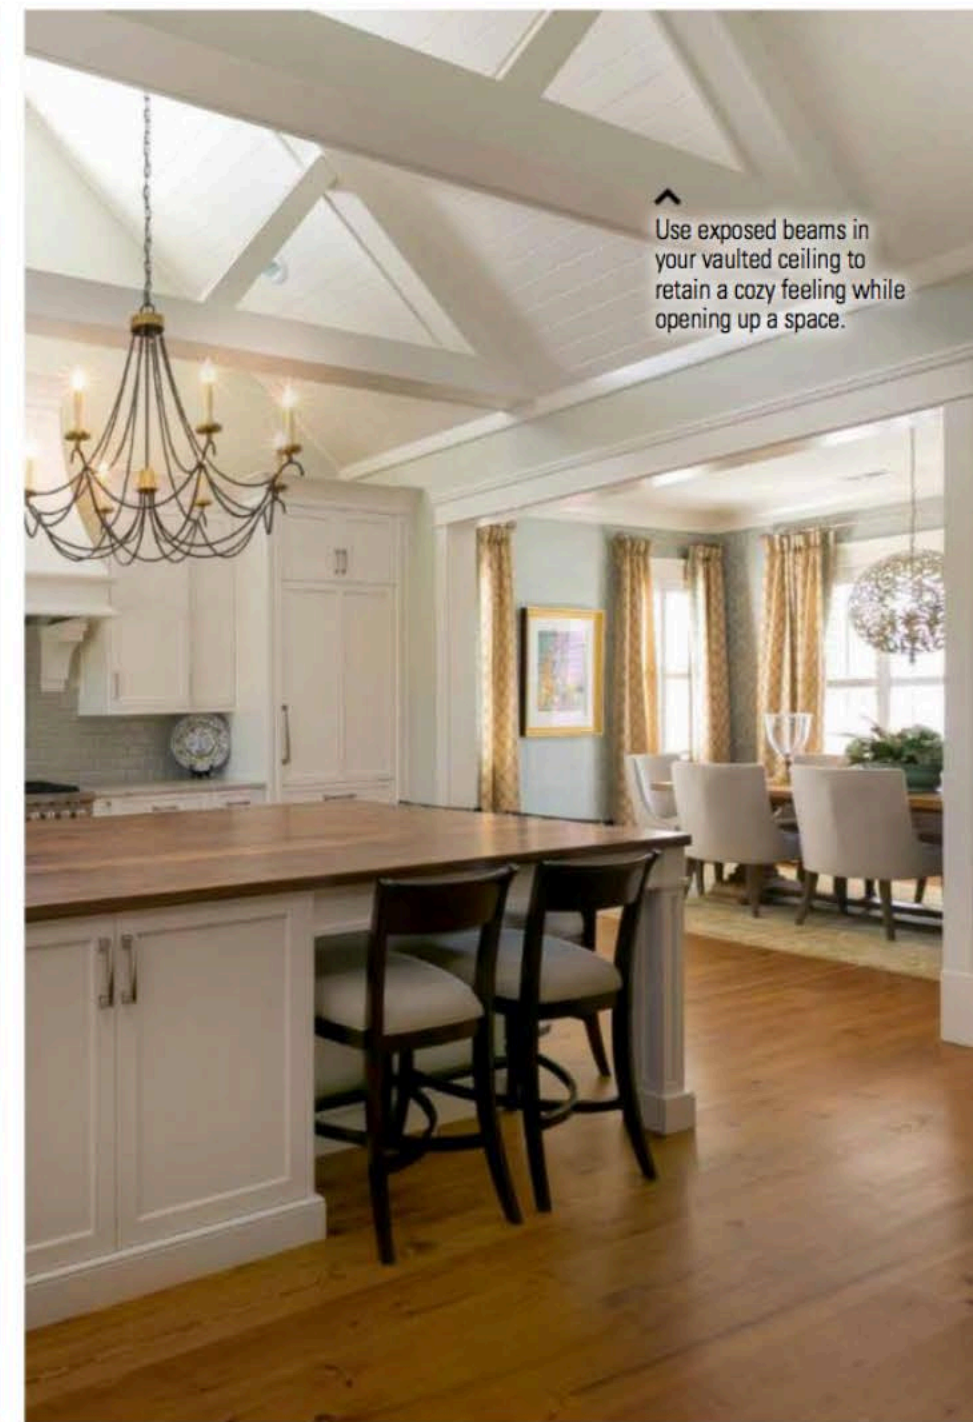

**Subway Tile**  
Install a decorative herringbone pattern inlay into your backsplash.

## LIGHT & LUXURIOUS

Custom touches and the golf course view make this Daniel Island kitchen picture perfect.

HELPFUL HINTS

Design your kitchen around your lifestyle. These Distinctive Design cabinets provide the homeowners with perfect storage.

Use exposed beams in your vaulted ceiling to retain a cozy feeling while opening up a space.
